

# EXPLORE THE WORLD

The background is a vibrant, stylized illustration of a space scene. On the right, a tall orange and teal rocket stands on a dark base. In the foreground on the left, a teal dome-shaped structure with a purple antenna and a circular opening sits on a reddish-brown, rocky surface. The sky is a deep blue with white stars and streaks of light. The text 'EXPLORE THE WORLD' is rendered in large, bold, white letters with a distressed, hand-painted texture. The word 'EXPLORE' is set within an orange jagged-edged shape, while 'THE' is in a teal jagged-edged shape, and 'WORLD' is in a blue jagged-edged shape. A circular logo is integrated into the letter 'O' of 'WORLD'.

Einfach schon während der Ausbildung Grenzen überschreiten –  
mit einem Auslandspraktikum
